## Midi free-standing Beacons / EvoSIGNAL Midi TriColour 115-230VAC RD/YE/GN

| Part No.:                    | 261.430.60 |                                |
|------------------------------|------------|--------------------------------|
| Series:                      | EvoSIGNAL  |                                |
| MECHANI                      | CAL DATA   |                                |
| Height                       |            | 130 mm                         |
| Diameter                     |            | 85 mm                          |
| Materials                    |            | PC<br>PC/ABS                   |
| Dome colour                  |            | Clear                          |
| Housing colour               |            | Grey                           |
| Protection category          |            | IP66                           |
| Connection                   |            | Push-in terminal               |
| cross-sectional area minimum |            | m 0,25mm² / 24AWG              |
| cross-sectional area maximum |            | um 1,50mm² / 16AWG             |
| Type of fixing               |            | Adapter required               |
| Working temperature minimum  |            | um -30°C                       |
| Working temperature maximum  |            | num +60°C                      |
| Weight with packaging        |            | 197 g                          |
| Product weight               |            | 157 g                          |
| ELECTRIC                     | AL DATA    |                                |
| Operating voltage            |            | 115-230V                       |
| Operating voltage type       |            | AC                             |
| Operating voltage frequency  |            | y 50Hz at 230V<br>60Hz at 115V |
| Operating voltage tolerance  |            | +/- 10%                        |
| Rated operational voltage    |            | 230 VAC                        |
| Rated operational current    |            | 50 mA                          |
| Rated inrush current         |            | 7A                             |
| Protection class             |            | Protection class 2             |
| Pollution degree             |            | 3                              |
| Overvoltage category         |            | II                             |
| Isolation voltage            |            | Ui = 250V; Uimp = 2.500V       |
| OPTICAL I                    | DATA       |                                |
| Light source                 |            | LED                            |
| Light colour                 |            | MC 3 colours<br>Red            |
| Optical signal image         |            | Permanent                      |
| Service life optical         |            | 50,000 h minimum               |
| APPROVA                      | L DATA     |                                |
| Conforms with CE             |            | Yes                            |
| Conforms with RoHS directive |            |                                |

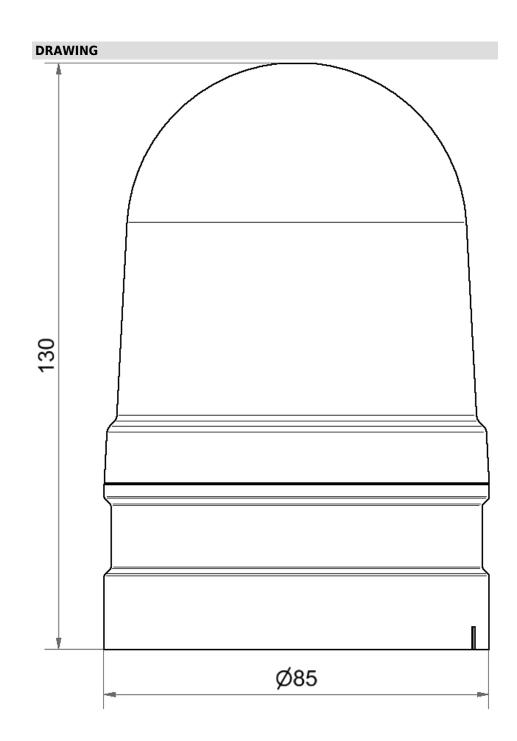

Pror additional installation and mounting information, refer to the appropriate user guide at www.werma.com. This printed copy is for information only and is subject to alteration.

## Midi free-standing Beacons / EvoSIGNAL Midi TriColour 115-230VAC RD/YE/GN

| WEEE                          | Yes                   |
|-------------------------------|-----------------------|
| Conforms with ATEX-directive  | No                    |
| Conforms with CCC             | Yes                   |
| Conforms with UL              | cULus                 |
| UL Type Rating                | Type 12               |
| Conforms with FCC             | No                    |
| Conforms with IC              | No                    |
| EAC certificate available     | Yes                   |
| Conforms with UKCA (Importer) | Yes (WERMA (UK) Ltd.) |
| Conforms with AS-I            | No                    |
| ICAO Certification            | No                    |
| Conforms with DNV             | No                    |
| Conforms with RoHS CN         | No                    |
| Conforms with VdS             | No                    |
| MTTF-value [years]            | 451                   |
